Presidents Corner

Welcome to the 2014 Netball Season and my first season as President. I hope you are as excited as we are that it is Netball time again. As you are all aware, there has been no change to the Netball Fees. Please ensure you are up to date with payments See our Treasurer Melissah if you have any queries. Game fees have remained the same also. Just a helpful hint - it makes the team managers job much easier if you have to correct money.

We have some new sponsors on board this season. For the juniors there will be awards from Baskin Robinns each week for the team MVP. Along with the Water Mark providing $20 dinner or drink vouchers for the Senior players. This is a very generous offer from both these businesses and we encourage you to patronise in return. We have also introduced junior team sponsors this year. We are on the look out for more. If you know anyone who owns a small business and would like to contribute in return for advertising ,please see any of the committee. Players and Spectators please be reminded you have signed our Code of Conduct for Good Sports. This means positive encouragement from the sideline at all times. Remember we are not playing for sheep stations ☺.

Please keep watching our Facebook page and webpage for updates.

I would like to take this opportunity to thank our very hard working committee on the smooth running of the start of the season. A lot of hours planning, sorting and collating have taken place. And remember this is done all voluntarily!

See you around the courts

GET TO KNOW YOUR COMMITTEE….

Our Committee member Profile this month is
Natalie McLaughlan - 2014 PRESIDENT

Natalie has been involved in our club for 31 years (had a few years off her daughters who now play too - Breanna and Ainsley. She started playing for Saints at 9 years of age. She played all the way through juniors and then onto seniors playing in the A1 division (there was no Premier League in the olden days). She played representative netball for TCNAI all the way through juniors. Nat started coaching when she was 15 and has done so on and off until today. When her body could no longer take the pounding of playing, she switched to umpiring and it took precedence . She travelled a lot with it and still enjoys umpiring at all levels. She currently holds a B Badge in Umpiring and a foundation level in coaching.

Over the years with our club, Nat has held various positions with our committee including Secretary, Umpire Convenor, and now President. Getting involved with the committee was a natural progression for her. "Saints Netball Club attracts nice families and dedicated players. The club culture of Saints gets into your blood. After a while you cannot do anything but offer back to the club"
