Presidents Corner

Well here we are officially in our "off season". Whilst we are enjoying having a break from not being at the courts most nights during the week, there is still lots of work going on behind the seasons in preparation for next season. Whilst I was playing beach netball at Netfest on the Gold Coast a couple of weeks ago, Robyn and Kristina attended the annual Sunrise presentation at TCNA. This was a great opportunity to see how TCNA performed overall for 2013 and what some of the goals and strategic plans are for 2014. We was also given a chance to give a presentation on how Saints survived 2013 and what we are looking forward to achieving in 2014. We were very proud to show off the success of the clinics we have run this year, and looking forward to running more in 2014.

Next year's TCNA sign-on will be on Wednesday 29th January from 5-8pm. Saints will still be holding a separate sign on prior to this **for new and returning** players. Please ensure you keep your email and home address up to date so you receive all the information you need. There is also up to date information on our Facebook page. Just search for us under Saints Netball Club Townsville and like us to keep up with all that's happening!

We have recently held our AGM and we welcome again to the Executive Committee Robyn Hamilton (Secretary), Melissah Reading (Treasurer) and Abigail Davidson (Registrar). A very big warm welcome back to our Natalie McLaughlin (Umpiring Convener), Kristina Moore (Uniform Convener) and Sandy Whiley (Junior Convener). Also joining us as general committee members are Shan Delany and Cathryn Rundle. Thank you and welcome ladies . ☺

As this will most likely be the final newsletter before Christmas, I would like to take this opportunity to wish you and your families a safe, happy and healthy Christmas and New Year. We look forward to having you all back with us next year. Please do not hesitate to contact me with any queries you may have during the holidays. See you at sign ons!

Yours in netball,

Tracey Wilson, President.

COACHES IN 2014

Saints Netball Club have a number of coaching vacancies for the 2014 Season, in the Junior competition. Each team needs to have coach.

As the Saints Club is made up entirely of volunteers who are family/friends of players, please consider whether you are able to help with either coaching or managing your daughter's team. The **only pre-requisite** to be a coach is that you have a basic understanding of netball and a willingness to help your daughter and her peers enjoy the game of netball. Team managers are also necessary for assisting the coach to organize team training times, pick up score cards and facilitate communications between the Club and team players.

All equipment is provided and full support given. Please contact Tracey on 0407731063 for further information if you that might like to join our fantastic coaching team.
