

Commitment to Reconciliation

We recognise the wrongs of the past, and the impacts they have had not only on generations gone but also those moving forward. We are sorry that our First Nations people experienced, and continue to deal with this trauma.

As individuals and a club we make a commitment to do all in our power to make a better future. It is important to learn about our shared histories, cultures, and achievements, and to explore how each of us can contribute to achieving reconciliation in our day to day actions.

Saints Netball Club commits to Reconciliation, we pledge for it to live in the hearts, minds and actions of all of us as we move forward. We want to create a netball environment strengthened by respectful relationships between the wider netball community, and First Nations peoples.

We acknowledge the traditional owners of the land we train and play on, and thank them for the opportunity to do so. We recognise elders past, present and emerging and extend this to all First Nations Peoples involved in netball across our nation.
