## PRESIDENTS CORNER

Time is fast approaching the business end of the season. The committee are very proud of the teams efforts to date and we should see Saints well represented in the finals. Please check the date claimers and pencil Grand Final Day into your diaries. It is a day not to be missed even if you are not playing.

We are also very proud of the Saints volunteers. Thank you to all that helped at the State Age – you have all done Saints very proud. Without volunteers we would not have such an awesome club.

Saints also have amazing coaches who put a lot of time and effort into trainings and game plans. All players need to let their coaches know well in advance if they are unable to make training and also the game. Please be considerate of their efforts.

Other important volunteers within our club are our umpires. This small team is managed by the amazing Carly Furguson. Our umpires were recognised recently at the Umpires Appreciation Week – Thank you to each and every one of you! Please remember your white shirts over your playing uniforms girls. If you are interested in umpiring or learning to umpire please see Carly at the courts (Mum's and Dad's it is never too late to learn to umpire).

Don't forget Steelcat's home games. These games are an amazing class of netball on the local front. We have some very talented Saints Netballers who play a very important role in the Steelcat's side. We all can learn a lot from these games. Once again check the date claimers for the next home game and hope to see you there. Also look out for the free junior player tickets . :)

Finally I would like to give a HUGE shout out to the hard working committee who continually strive to make Saints the best club in Townsville. The committee is currently working on the end of season breakup's. Stay tuned for further details.

See you at the courts. Nat.

# TEAM SCORESHEET REMINDERS

Thankyou for filling out your team's scoresheet well! You have been great and all of our teams have done everything required so far this term however...

PLEASE KEEP DILLIGENT ON THIS MATTER AS WE ARE NOW COMING TO INTO THE LAST ROUND OF GAMES BE-FORE FINALS AND IT COULD MEAN YOU R TEAM MISSES OUT.
COACHES ARE HAPPY TO HAVE PARENT'S HELP IN DOING THIS, AS IT CAN BE QUITE HECTIC FOR THEM.

- **All players must sign next to their name every time they play so they qualify to play finals. Absent players require DNP next to theirs.**
- **Any teams using fill-in players from lower divi sions must indicate in space provided what team and division they are from.**
- **CAPTAINS MUST SIGN.**
- **MPV's must be chosen for your own team.**

If the score sheet is **not filled in correctly teams will lose two points of their ladder. (Some teams have already lost points this season as result of this)**
