Presidents Corner

I would like to begin my report this month by acknowledging someone who is very special to our club and leaving Townsville. Craig Whiting has been with Saints for quite a few years now, and has been providing support to the club and committee that would be unseen by many. Craig has also been involved in looking after one of our Senior teams each season (brave man). This year he took up position as Senior Convener and is doing a fantastic job at making sure that I turn up to play my game each Tuesday night and then pushes me out the gate to get home. Craig will be moving to Canberra at the end of this month, to be with his partner Emily and to support her during her studies. I thank him for his hard work and wish him and Emily the best….

Our season has started well with all teams now settled into their divisions. A big focus from the association this year is having **all score sheets filled out and signed correctly**. I would like to thank all coaches, managers and parents for diligently doing so. It is greatly appreciated. We don't want our teams missing finals due to incorrect score sheets.

This year we have several new coaches to our club. A huge welcome to Kirsty, Danni, Shannon, Brandi, Matthew and a big welcome back to Noreen. We have some junior coaches attending coaching workshops with Deb Ruka (Steelcats coach) on Sunday 28th April. Good luck ladies, we look forward to hearing how it all goes and to seeing you put all your learning's into practice.

I will finish by saying a big thank you to our hard working committee. The start of the season is well and truly a very hectic time for all, but we got through it. And Kristina, you've done a great job with the uniforms

Yours in netball

GET TO KNOW YOUR COMMITTEE....

This month's profile is our Uniform Convener.. KRISTINA MOORE.

This is my 5th year involved with Saints Netball Club, and my first as a Committee member. This year as Uniform Convenor, I have been responsible for the uniform rollout after sign-ons. I have 2 girls,Cate & Lucy, who have played with Saints since starting netball age 6 & 7 in the moddies comp.

After a few years of helping with their teams by scoring and cheering from the sidelines, I have decided that I need to be more involved in the sport that my kids love playing. My playing history is limited to school netball, so I am probably not the best person to come to for playing or coaching tips! My netball mentor is pretty much anyone that knows all the rules and my favourite professional player is Laura Geitz from the Queensland Firebirds.

I love being a Netball Mum and hopefully by being one of the friendly Saints faces that the girls get to see at the courts every week, we can keep them loving playing for our club.

My goal for this year is to just do my bit to support our great club. In the future, while my girls continue to enjoy playing, I will do whatever I can to encourage others to be involved.
