Presidents Corner

Welcome to season 2013! I sincerely hope all of our Saints members and families had an enjoyable Christmas and New Year's break, and are looking forward to getting into the full swing of things again!

Now, Ive been told that I don't have much space for my blurb (thanks Robyn), so I will try not to talk too much, and just get all the important bits to you….

No change to club fees this year. The fees listed are inclusive of TCNA fees. Club sign-ons 26th Jan, and TCNA sign-ons 30th Jan are **for both new and returning players**. Please bring either cash or cheque book for payments. EFTPOS will be an option at TCNA sign on only. If paying by direct credit to Saints bank account, your registration will not be complete until your payment is received into our account. If you require a new uniform, you can order this when you complete your registration.

Our club welcomes returning sponsors for 2013. We are always looking for more sponsors, so if you or someone you know may be interested please contact myself or Robyn for further details on sponsor packages available. We have almost completed designing a new Saints Website. Once this has been completed, all forms will be available to download. We have a new club email address! Please put in saintsnetballtsv@gmail.com to your address book! This address will be checked regularly by myself and Robyn.

Please take note of the details for the Government assistance being offered to Health Care Card holders and Pension card holders. It's a great incentive and will provide much relief on fees to those eligible. You MUST register and produce voucher provided to Saints Netball Club to receive your discount on fees. No voucher, no discount.

I think that's it for now! Please keep watching our Facebook page for up to date information.

Before I finish, would just like to give special thank you to those who have continued to attend meetings and keep our club running smoothly during the "off season". You know who you are, so special thank you! :)

See you all at sign ons!

Yours in netball,

Tracey Wilson.
